

AGN. NO. _____

MOTION BY SUPERVISOR MICHAEL D. ANTONOVICH

JULY 21, 2009

Residents who live near the intersection of 60th Street West and Avenue M-8 in Quartz Hill report a series of accidents and near-misses over the last several years. One homeowner reports that speeding cars have damaged his back yard wall repeatedly. The descent approaching the intersection promotes speeding, and there is an existing church a few blocks away. The intersection's two-way stop only makes it more likely that motorists will travel through the intersection at excessive speeds.

I, THEREFORE, MOVE that the Board of Supervisors direct the Director of Public Works to install a 4-way sign at the intersection of 60th Street West and Avenue M-8 in Quartz Hill and report back to the Board every 30 days until such time as the new signs are installed.
